Krispmas Puddings

Forget waiting 'til the big day for your Christmas pud! Here's a yummy chocolate recipe that is super easy to make.

Disclaimer: With all this food going in the pan, make sure a grown-up gives you a hand.

Ingredients:

50g unsalted butter

180g marshmallows - don't eat them all!

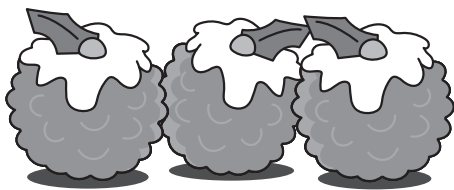

100g Rice Krispies®

200g milk chocolate

100g white chocolate

Decorations:

Holly leaf decorations (you can use icing, chocolate buttons or whatever you like!)

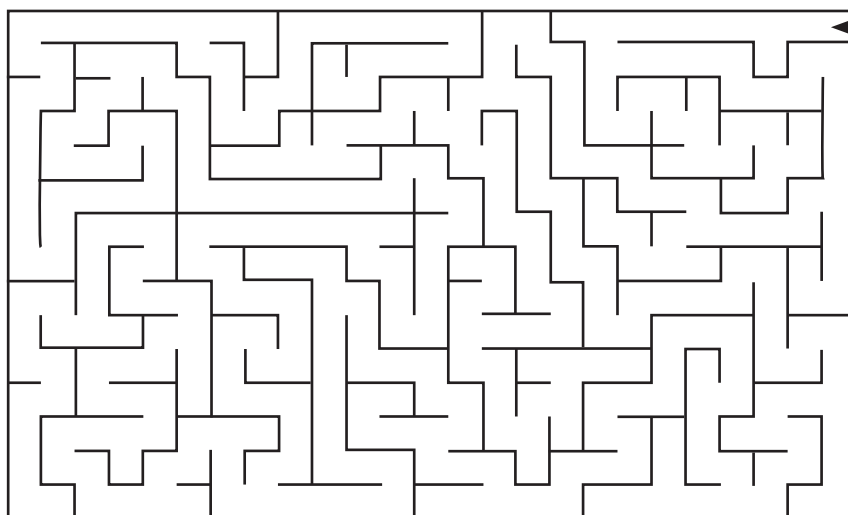

Method:

1. Melt the butter and milk chocolate in a pan.
2. Add the marshmallows and stir until they have melted.
3. Add in your Rice Krispies®. Take off the heat and stir well.
4. Once they have cooled a little, spoon a tablespoon of mixture out into your hands and roll into a ball. Put these on a lined baking tray and then put in the fridge to chill for 15 minutes.
5. Melt your white chocolate and pour into a piping bag. Pop some white chocolate on top of each one of your Christmas pud's and top with a holly leaf decoration.
6. Put them back in the fridge, count to a thousand and then go and enjoy!

Top tip: Leave them out on Christmas Eve with a glass of milk - they're Santa's favourite!
