You lucky thing!

Free high speed wireless internet access onboard

Free wireless internet access onboard

This National Express coach is equipped with wireless broadband Internet enabling you to check your email, surf the web, access your corporate network and even play games against people all over the world* all at high speed. What's more for a limited period this service is completely free!

*depending on the software installed on your device

Getting Connected

To use this service you will need a wireless enabled laptop or hand held device that has either built-in 802.11b/g wireless networking, or an 802.11b/g PC card or USB adaptor.

1. set your Network Name (SSID) to 'NationalExpress'
2. launch your web browser (e.g. internet explorer)
3. a log-in page will appear

If you cannot connect or experience any other problems, call the Wi-Fi Helpline:

0906 5400256

Please note that calls to this number are charged at 50 pence per minute from a BT land line, calls from mobiles and other networks may vary (Call costs correct at date of publication 24/07/07). Lines are open 9am till 5pm Monday to Friday. Broadband service and Internet access is subject to the Terms & Conditions available on the log-in page.
